

May – July 2019 Activities & Events

Dear Members,

This programme, we are trying out something different in the form of a two-day linear walk on July 25 & 26 from Alton to Havant along the Hangers Way and Staunton Way, with an overnight stop in Petersfield. Check out the programme entries for details and be sure to book your accommodation early to avoid disappointment!

The longer summer days afford the opportunity for longer walks and we are pleased that once again David Finney has agreed to lead the challenging 26.2-mile downland marathon at the end of May.

On the strolls side, we sadly say goodbye to Alan and Angela Megarry as leaders, who have been very generous with their offers of strolls in the past, and have now decided to 'retire'. We wish Alan a speedy recovery from injury also. A replacement leader or two in the far west of our area, where Alan and Angela were such active leaders, would be very welcome.

However, we welcome one strolls leader back from a break as well as two new strolls leaders and one new walks leader. Our thanks go to them for volunteering.

Between us all, we have provided lots of lovely summer walks and strolls for your pleasure and healthy exercise!

Walks Coordinator: Ian Lancaster
Strolls Coordinator: Judy Robinson

Notes for walkers & cyclists:

- Please ensure you have read the 'Walks Guidance Notes' on our website: <https://friendsofthesouthdowns.org.uk> (go to 'About Us' then 'Public documents') or contact our office.
- Please remember to take care of your own safety on walks and strolls, and make sure you wear appropriate footwear and clothing and that you are fit for the walk or stroll outlined.
- Make your own way to the meeting place, but please consider the use of car-sharing or public transport where possible. For advice about a particular walk or stroll contact the leader, or the office on the number at the bottom of this page. The three figures before the grid reference, e.g. 121 or OL10, refers to maps in the OS 1:25,000 Explorer series. The post code is a guide only; the six-digit grid reference will be more precise.
- New walkers: Please note that the start time on the programme is the time we start walking. Please arrive at the meeting place at least 15 minutes before this time, to allow for putting on boots, etc. The finish time is an estimate by the leader and may vary due to conditions on the day of the walk. DoW after the phone number means that the leader's mobile number is to be used for the day of the walk only.
- All routes are circular unless stated otherwise. At lunch breaks, some people have a snack in the pub or café while others eat their packed lunch away from the pub premises and then go in for a drink or coffee. We usually stop for about an hour. Pub lunches at the end of strolls are optional.
- Strolls (shaded) are a maximum of 9 miles. Walks (unshaded) are over 9 miles. **E** = Easy stroll, mostly flat with few or no stiles, well-suited for more gentle walking; **D** = Challenging walk with significant climbs (more than 2,500ft in total).
- Dogs: Where permitted, dogs must be under control and owners must do as requested by the leader; extendable leads are prohibited.
- Cyclists: Must be over 18 and experienced. Members are responsible for their own safety – helmets can help prevent a head injury from a fall. Please note that terrain may vary from bridleways to public roads.

Date & Time	Start Details OS Explorer Map / Grid Reference	Title and Outline of the Route	Length (miles)
<u>The Trundle and its place in the Landscape</u>			
Thursday 2 May 10:30 - 13:30	Sheepwash Lane, Lavant, roadside parking. PO18 0AH OL8 / SU858084	An introduction to the Secrets of the High Woods project in the landscape around the Trundle.
