

## February – April 2020

### Activities & Events

#### Dear Members,

The rain rarely let up over the course of the last programme and some walks had to be cancelled due to flooding. Well done to all those who braved the mud and carried on regardless!

This programme, we will be promoting the Society's 2019/2020 photographic competition in the schools around the South Downs to attract some Junior-category entries. So, some of our strolls have been planned to allow photographic opportunities in our beautiful countryside at half term and in the Easter holidays. Also, at the end of March you can enjoy a fun stroll to celebrate the 10th Anniversary of our National Park.

**Walks Coordinator:** Ian Lancaster  
**Strolls Coordinator:** Judy Robinson

#### Notes for walkers & cyclists:

- Please ensure you have read the 'Walks Guidance Notes' on our website: <https://friendsofthesouthdowns.org.uk> (go to 'About Us' then 'Public documents') or contact our office.
- Please remember to take care of your own safety on walks and strolls, and make sure you wear appropriate footwear and clothing and that you are fit for the walk or stroll outlined.
- Make your own way to the meeting place, but please consider the use of car-sharing or public transport where possible. For advice about a particular walk or stroll contact the leader, or the office on the number at the bottom of this page. The code before the grid reference, e.g. 121 or OL10, refer to maps in the OS 1:25,000 Explorer series. The post code is a guide only; the six-digit grid reference will be more precise and where that may be ambiguous the What3Words address in the format ///word1.word2.word3 more accurate still.
- New walkers: Please note that the start time on the programme is the time we start walking. Please arrive at the meeting place at least 15 minutes before this time, to allow for putting on boots, etc. The finish time is an estimate by the leader and may vary due to conditions on the day of the walk. DoW after the phone number means that the leader's mobile number is to be used for the day of the walk only.
- All routes are circular unless stated otherwise. At lunch breaks, some people have a snack in the pub or café while others eat their packed lunch away from the pub premises and then go in for a drink or coffee. We usually stop for about an hour. Pub lunches at the end of strolls are optional.
- Strolls (shaded) are a maximum of 9 miles. Walks (unshaded) are over 9 miles. **E** = Easy stroll, mostly flat with few or no stiles, well-suited for more gentle walking; **D** = Challenging walk with significant climbs (more than 2,500ft in total); CP=car park; PCNU=post code not useful; RSP=roadside parking; ORP=off-road parking (i.e. not a car park); well-know trails may be abbreviated, e.g. SDW=South Downs Way, SBP=Sussex Border Path.
- Dogs: Where permitted, dogs must be under control and owners must do as requested by the leader; extendable leads are prohibited.
- Cyclists: Must be over 18 and experienced. Members are responsible for their own safety – helmets can help prevent a head injury from a fall. Please note that terrain may vary from bridleways to public roads.
