

2nd Quarter 2022 Walks & Strolls

Dear Walkers,

We are pleased to report that the number of walks and strolls being offered is now back to pre-pandemic levels – 56 in all. With more leaders coming forward, strolls are now possible in locations from the Meon Valley to Eastbourne, however we still need more leaders particularly for shorter strolls of 3-5 miles. So, if you have a favourite stroll you would like to share with others please contact Mick.

This programme sees the start of a new series of themed walks entitled 'Politicians and Sussex', kindly submitted by one of our regular contributors, Ian Wright. The first is about Harold Macmillan and his home Birch Grove near Horsted Keynes on June 14.

Our two-programme linear walk of the Serpent Trail concludes, with leg four starting from the beautiful location of Woolbeding Common on April 14, and leg five from Iron Hill near Liphook on April 26. There will be the option of a celebration lunch at the White Horse Hotel in Haslemere at the end for those walking the trail.

There is also a special guided stroll on May 1 from Kithurst Hill to be led by James Sainsbury, Curator of Archaeology at Worthing Museum. He is extremely popular so please book early to avoid disappointment.

Walks Coordinator: Ian Lancaster
Strolls Coordinator: Mick Heywood

Notes for walkers:

- Please ensure you have read the 'Walks Guidance Notes' on our website: <https://friendsofthesouthdowns.org.uk> (go to 'About Us' then 'Public documents') or contact our office.
- If the walk says: 'Booking by email to', then please contact the leader in advance so that he knows how many walkers to cater for and can notify you of any late alterations.
- Please remember to take care of your own safety on walks and strolls, and make sure you wear appropriate footwear and clothing and that you are fit for the walk or stroll outlined.
- Make your own way to the meeting place, but please consider the use of car-sharing or public transport where possible. For advice about a particular walk or stroll contact the leader, or the office on the number at the bottom of this page. The code before the grid reference, e.g. 121 or OL10, refers to maps in the OS 1:25,000 Explorer series. The post code is a guide only; the six-digit grid reference will be more precise and where that may be ambiguous the What3Words address in the format ///word1.word2.word3 more accurate still.
- New walkers: Please note that the start time on the programme is the time we start walking. Arrive at the meeting place at least 15 minutes before this time, to allow for putting on boots, etc.. The finish time is an estimate by the leader and may vary due to conditions on the day of the walk. DoW after the phone number means that the leader's mobile number is to be used for the day of the walk only.
- All routes are circular unless stated otherwise. At lunch breaks, some people have a snack in the pub or café (unless the walk is picnic only) while others eat their packed lunch away from the pub premises and then go there for a drink or coffee. We usually stop for about an hour. Pub lunches at the end of strolls are optional.
- Strolls (shaded) are a maximum of 9 miles. Walks (unshaded) are over 9 miles. Abbreviations in use: CP=Car Park; PCNU=Post Code Not Useful; RSP=Roadside Parking; ORP=Off-Road Parking (i.e. not a car park); well-known trails may also be abbreviated, e.g. SDW=South Downs Way, SBP=Sussex Border Path.
- Dogs: Where permitted, dogs must be under control and owners must do as requested by the leader; extendable leads are prohibited.

Date & Time	Start Location OS Explorer Map / Grid Reference	Title and Outline of the Route Leader and Contact Details Notes, if applicable	Length (miles)
<u>Alright, Alright, Yet Another Way to Upham</u>
