

3rd Quarter 2023 Walks & Strolls

Dear Walkers,

Centenary celebrations continue this quarter with themed strolls in various locations. The first one begins in West Chiltington, after which participants will enjoy lunch provided at the Society's Pulborough office. Our patron, Lord Egremont, has granted exclusive access to Flexham Park near Petworth for the second stroll. Additionally, there will be two separate strolls on the same evening, aiming to meet up at Devil's Jumps near Cocking to enjoy the sunset.

One of our trustees, David Green, has designed a linear walk called the 'Belloc Way'. The route draws inspiration from Hilaire Belloc's renowned 1911 novel, 'The Four Men: A Farrago'. The novel recounts the journey of four men who embark on a 90-mile pilgrimage across Sussex, starting from Robertsbridge in the east and concluding at South Harting in the west. Along their path, they encounter various points of interest and engage in sharing stories, songs, jokes, and reflections on life, history, and culture.

The 'Belloc Way' walk will take place over six days during the first two weeks of August. While four committed regular walkers have pledged to complete the entire route, we warmly welcome other participants to join them for individual legs of the journey. This will provide an opportunity to learn more about Belloc's remarkable life and his significant contributions to the literary world.

Walks Coordinator:	Ian Lancaster	E-Mail: fotsd@lancasi.plus.com
Strolls Coordinator:	Mick Heywood	E-Mail: mickheywood15@gmail.com

Notes for walkers:

- Please ensure you have read the 'Walks Guidance Notes' on our website.
- If the walk says: 'Booking by email to', then please contact the leader in advance so that he knows how many walkers to cater for and can notify you of any late alterations.
- Please remember to take care of your own safety on walks and strolls, and make sure you wear appropriate footwear and clothing and that you are fit for the walk or stroll as outlined.
- Make your own way to the meeting place, but please consider the use of car-sharing or public transport where possible. For advice about a particular walk or stroll contact the leader, or the office on the number at the bottom of this page. The code before the grid reference, e.g. 121 or OL10, refers to maps in the OS 1:25,000 Explorer series. The post code is a guide only; the six-digit grid reference will be more precise and where that may be ambiguous the What3Words address in the format ///word1.word2.word3 more accurate still.
- New walkers: Please note that the start time on the programme is the time we start walking. Arrive at the meeting place at least 15 minutes before this time to allow for putting on boots and listening to the safety briefing from the leader. The finish time is an estimate by the leader and may vary due to conditions on the day of the walk. DoW after the phone number means that the leader's mobile number is to be used for the day of the walk only.
- All routes are circular unless stated otherwise. At lunch breaks, some people have a snack in the pub or café (unless the walk is picnic only) while others eat their packed lunch away from the pub premises and then go there for a drink or coffee. We usually stop for about an hour. Pub lunches at the end of strolls are optional.
- Strolls (shaded) are a maximum of 9 miles. Walks (unshaded) are over 9 miles. Abbreviations in use: CP=Car Park; PCNU=Post Code Not Useful; RSP=Roadside Parking; ORP=Off-Road Parking (i.e. not a car park); well-known trails may also be abbreviated, e.g. SDW=South Downs Way, SBP=Sussex Border Path.
- Dogs: Where permitted, dogs must be under control and owners must do as requested by the leader; extendable leads are prohibited.
