

## 2nd Quarter 2024 Walks & Strolls

### Dear Walkers,

Our second quarter program is centred around a linear walk along the West Sussex section of the Sussex Border Path (SBP), a trail that provides diverse scenery with secret dells, wooded commons, and magnificent views of the Surrey Hills and South Downs. Created in 1983 by Ben Perkins and Aeneas Mackintosh, the SBP closely follows the county boundary for most of its length. It has since been re-waymarked, enhancing its accessibility.

The walk will be completed in six legs. Since the east side of Thorney Island is currently closed, the walk commences at Stansted Park (near Rowlands Castle), taking four legs to reach Charlwood. Unfortunately, the route around Gatwick is too unpleasant to consider, so it will then skip ahead to East Grinstead to walk south along the Mid-Sussex Link as far as Summer Down, above Devil's Dyke.

In early April, we feature another of Ian Wright's popular 'Politicians-in-Sussex' walks, this time focusing on the life of Hartley Shawcross (1902-2003). A prominent barrister, he served as the lead British prosecutor at the Nuremberg War Crimes tribunal and was Britain's principal delegate to the United Nations after World War II. Later, he became one of the founding members of JUSTICE, a human rights and law reform organization. We hope you will join Ian's walk to learn much more about this intriguing individual.

### Notes for walkers:

- Please ensure you have read the 'Walks Guidance Notes' on our website.
- If the walk says: 'Booking by email to', then please contact the leader in advance so that he knows how many walkers to cater for and can notify you of any late alterations.
- Please remember to take care of your own safety on walks and strolls, and make sure you wear appropriate footwear and clothing and that you are fit for the walk or stroll as outlined.
- Make your own way to the meeting place, but please consider the use of car-sharing or public transport where possible. For advice about a particular walk or stroll contact the leader, or the office on the number at the bottom of this page. The code before the grid reference, e.g. 121 or OL10, refers to maps in the OS 1:25,000 Explorer series. The postcode is a guide only; the six-digit grid reference will be more precise and where that may be ambiguous the What3Words address in the format ///word1.word2.word3 more accurate still.
- New walkers: Please note that the start time on the programme is the time we start walking. Arrive at the meeting place at least 15 minutes before this time to allow for putting on boots and listening to the safety briefing from the leader. The finish time is an estimate by the leader and may vary due to conditions on the day of the walk. DoW after the phone number means that the leader's mobile number is to be used for the day of the walk only.
- All routes are circular unless stated otherwise. At lunch breaks, some people have a snack in the pub or café (unless the walk is picnic only) while others eat their packed lunch away from the pub premises and then go there for a drink or coffee. We usually stop for about an hour. Pub lunches at the end of strolls are optional.
- Strolls (shaded) are a maximum of 9 miles. Walks (unshaded) are over 9 miles. Abbreviations in use: CP=Car Park; PCNU=PostCode Not Useful; RSP=Roadside Parking; ORP=Off-Road Parking (i.e. not a car park); well-known trails may also be abbreviated, e.g. SDW=South Downs Way, SBP=Sussex Border Path.
- Dogs: Where permitted, dogs must be under control and owners must do as requested by the leader; extendable leads are prohibited.

### Follow The Swallow

<b>Saturday 13 April</b> 10:00 - 14:30	Langham Brewery, Langham Lane, Lodsworth GU28 9BU OL03 / SU928225	Langham Brewery's hashtag is #FollowTheSwallow. However, did you know that the swallow flies back to the UK in April and the 15th is traditionally known as Swallow Day in England? With these coincidences happening around the same weekend as a brewery tour and tasting event, how could I resist organising a bird themed walk from the brewery. This walk has been designed to take in lots of different bird habitat – a variety of woodland, common, open farmland, hedgerows and semi- marsh/osier beds. With the trees not yet in full leaf there will hopefully be a better chance of seeing birds than later in the spring/summer. Bring a pair of binoculars if you wish, but the most important tool for the job will be your ears....and possibly the helpful Merlin Bird ID app. To avoid disappointment, please be aware that I don't profess to be an expert twitcher! I am a bird-enthusiast-cum-twitcher in training	5.5

### One Garden and Stanmer Park

<b>Wednesday 19 June</b> 11:00 - 14:00	Map opposite Circa In The Park Café, South Entrance, Stanmer Park, Brighton BN1 9PY OL11 / TQ342087	This is an outing as much as a walk, lots to see and do: Millions have been spent on redesigning this part of Stanmer Park and in designing the One Garden. The planting of the garden and maintenance is done by Plumpton College as part of its Stanmer campus. The veg and flower beds are beautiful, interesting and informative. Plenty of toilets and refreshment opportunities. We shall walk up to One Garden (0.8 miles) passing Stanmer House. In One Garden, the One Kitchen restaurant has a more modern menu. Smooth lawns and benches for a picnic, a food shop/cafe where we'll base for refreshment and to explore. Then through Stanmer Village and up a short steep path to the hills. There we have a choice, to take the shortest route down to the park entrance or go up just a little higher to walk back partly through the woods. That makes the longest walk at a total of about 4 miles. It's all lovely. I intend this to be very flexible; walkers are welcome to leave the group at any point to linger or to avoid the hilly bit or to lunch at Stanmer House as there is no way of getting lost – just make sure I know. <i>Notes: Car parks to the left and right as you enter Stanmer Park. Fee payable. - £1.70 for 2 hours, £2.80 for 4 hours. Please note you will need to download the "Pay by Phone" parking App to pay for parking. Served by bus routes 28, 29, 78, 25; also trains to Falmer Station.</i>	4
